# Message Networks GmbH

## Messaging Solutions

High acceptance by users  
98% of all SMS messages  
are opened

Quick and efficient

compliant

Increased data security

Increased  
customer satisfaction

Simple integration,  
operation and usage

We are an experienced mobile communications provider with a cloud based messaging platform. We enable our B2B customers to generate a unique digital, personal, secure and long-term customer relationship through our Multi-Channel Communications Platform as a Service (CPaaS).

We help companies achieve efficiency through automation using intelligent chatbots. They communicate via SMS or the most popular messaging channels and convert communication into measurable revenue.
